DIAGNOSTIC SOLUTIONS - BATTERY TESTING EQUIPMENT

Professional Technician's Tool with Integrated Printer

Product	Part number	Description	Price (€)
Tools	MDX-335P	Battery Conductance and System Analyser with integrated printer	455,00
Accessories	856607-10	Printer paper (set of 10 pcs.)	20,00
Tools	MDX-545P EU	Battery Conductance and System Analyser for automotive application, with integrated printer, including start-stop testing capabilities, new battery mode, and 1.2 meter cable and soft case.	625,00
Accessories	856607-10	Printer paper (set of 10 pcs.)	20,00
	130-569	1,2 meter cable MDX-500 Series	86,00

Professional Shop Equipment with Integrated Printer

Tools	MDX-655P START-STOP	Battery Conductance and Electrical System Analyser for automotive, truck and motorcycle application, with integrated printer, including start-stop testing capability, new battery mode, 3 meter cable and soft case.	905,00
Accessories	AMP-100	Standalone digital Amp clamp meter + multi meter	195,00
	856607-10	Printer paper (set of 10 pcs.)	20,00
	130-568	3 meter cable MDX-600 Series	96,00
	130-569	1,2 meter cable MDX-600 Series	86,00

AUTOMOTIVE PRICE LIST 2022

DIAGNOSTIC SOLUTIONS - BATTERY TESTING EQUIPMENT

Professional Battery Diagnostic Equipment

Product	Part number	Description	Price (€)
Tools	CPX-900 EU	Conductance Profiling™ Battery and System Diagnostic Platform, including 1.2 meter cable Passenger cars, Motorbikes & New batteries	945,00
	CPX-900P EU	Conductance Profiling™ Battery and System Diagnostic Platform with integrated printer, including 1.2 meter cable Passenger cars, Motorbikes & New batteries	1 045,00
	CPX-900L EU	Conductance Profiling™ Battery and System Diagnostic Platform, including 3 meter cable Passenger cars, Motorbikes & New batteries	955,00
	CPX-900PL EU	Conductance Profiling™ Battery and System Diagnostic Platform with integrated printer, including 3 meter cable Passenger cars, Motorbikes & New batteries	1 055,00
	CPX-900 HD EU	Conductance Profiling™ Battery and System Diagnostic Platform, including 3 meter cable Passenger cars, Motorbikes, New Batteries & Truck	1 095,00
	CPX-900P HD EU	Conductance Profiling™ Battery and System Diagnostic Platform for trucks and passenger cars with integrated printer, including 3 meter cable Passenger cars, Motorbikes, New Batteries & Truck	1 195,00
	CPX-900B EU	Conductance Profiling™ Battery and System Diagnostic Platform with integrated barcode scanner including 1.2 meter cable Passenger cars, Motorbikes & New batteries	1 095,00
	CPX-900BP EU	Conductance Profiling™ Battery and System Diagnostic Platform with integrated printer and barcode scanner including 1.2 meter cable Passenger cars, Motorbikes & New batteries	1 195,00
	CPX-900B HD EU	Conductance Profiling™ Battery and System Diagnostic Platform with integrated barcode scanner, including 3 meter cable Passenger cars, Motorbikes, New batteries & Truck	1 245,00
	CPX-900BP HD EU	Conductance Profiling™ Battery and System Diagnostic Platform with integrated printer and barcode scanner, including 3 meter cable Passenger cars, Motorbikes, New batteries & Truck	1 345,00
Accessories	A401	Paper roll (10 pack) CPX-900	€ 20
	130-000592	1,2 meter cable CPX-900	€ 86
	130-000593	3 meter cable CPX-900	€ 96
	CPX-901 EU	CPX-900 EU Dock	€ 75

DIAGNOSTIC SOLUTIONS - BATTERY TESTING EQUIPMENT

Professional Shop Diagnostic Equipment

Product	Part number	Description	Price (€)
Tools	EXP-1000 KIT EU	Expandable Electrical Diagnostic Platform, including 3 meter cable and case	1 045,00
	EXP-1000 HD EU	Expandable Electrical Diagnostic Platform for trucks and passenger cars, including 4.25 meter cable and case	1 195,00
Accessories	A088	IR Printer: High speed printer including charger (European version)	260,00
	A089	IR Printer: High speed printer including charger (UK version)	260,00
	A018	Amp clamp with RJ connector for EXP-1000 / EXP-1000 HD	195,00
	856607-10	Printer paper for IR printer A088, A089 (set op 10 pcs.)	20,00
	130-072	1,2 meter cable for EXP series	86,00
	130-078	3,0 meter cable for EXP series	96,00
	130-079	4,25 meter cable for EXP series	109,00
	457-005A	12V printer adapter for A088 & A089 (cigarette lighter type)	20,00

Professional Marine Battery Diagnostic Equipment

Tools	MAR-800P	Marine Battery & Electrical System Diagnostic Analyser with integrated printer, 3,0 meter cable	1 395,00
Accessories	856607-10	Printer paper (set op 10 pcs.)	20,00

AUTOMOTIVE PRICE LIST 2022

DIAGNOSTIC SOLUTIONS - BATTERY TESTING EQUIPMENT

Professional Battery Diagnostic Equipment with Integrated Printer

Product	Part number	Description	Price (€)
Tools	DSS-5000P EU	Professional Battery & Electrical System Diagnostic Analyser with integrated printer, 0,6 meter cable	1 550,00
	DSS-5000PA EU	Professional Battery & Electrical System Diagnostic Analyser with integrated printer and amp clamp, 0,6 meter cable	1 695,00
Accessories	A401	Paper roll (10 pack) DSS-5000	20,00

AUTOMOTIVE PRICE LIST 2022

CHARGING SOLUTIONS - BATTERY MAINTENANCE EQUIPMENT

ChargeXpress PRO Series

Product	Part number	Description	Price (€)
Tools	ChargeXpress PRO 25 5MTR	ChargeXpress PRO 25A 1 output. Professional Service Battery Charger / power supply 1 output (5 meter lead)	495,00
	ChargeXpress PRO 50-2	ChargeXpress PRO 50A 2 output for 12 and 24V systems Professional all-round service bay charger / power supply 1 output 50A or 2 outputs 25A (5 meter leads)	985,00
Accessories	130-846	Removable charge lead ChargeXpress PRO 25/25-2 (5 meter version)	86,00
	130-000435	Removable charge lead ChargeXpress PRO 50-2 (5 meter version)	96,00

AUTOMOTIVE PRICE LIST 2022

CHARGING SOLUTIONS - BATTERY MAINTENANCE EQUIPMENT

Product	Part number	Description	Price (€)
MCC-070 Controlled Charger			
Tools	MCC-070-CM-5-EU	Controlled charger, including quick charge, 70A output, 5 meter leads and 2 meter power cord. With base.	1 325,00
	MCC-070-CH-5-EU	Controlled charger, including quick charge, 70A output, 5 meter leads and 2 meter power cord. With base and handle.	1 365,00
	MCC-070-CW-5-EU	Controlled charger, including quick charge, 70A output, 5 meter leads and 2 meter power cord. With wall mount.	1 399,00
Accessories	130-000471	2 Meter lead cable	43,00
	130-000472	3 Meter lead cable	51,00
	130-000475	5 Meter lead cable	111,00

MSP-070 Power Supply Charger

Tools	MSP-070-32-EU	Controlled power supply charger, 70A output, 3 meter leads and 2 meter power cord.	745,00
	MSP-070-35-EU	Controlled power supply charger, 70A output, 3 meter leads and 5 meter power cord.	760,00
	MSP-070-52-EU	Controlled power supply charger, 70A output, 5 meter leads and 2 meter power cord.	825,00
	MSP-070-55-EU	Controlled power supply charger, 70A output, 5 meter leads and 5 meter power cord.	840,00
Accessories	130-000471	2 Meter lead cable	43,00
	130-000472	3 Meter lead cable	51,00
	130-000475	5 Meter lead cable	111,00

AUTOMOTIVE PRICE LIST 2022

CHARGING SOLUTIONS - BATTERY MAINTENANCE EQUIPMENT

GRX-3000 Battery Diagnostic Station

Product	Part number	Description	Price (€)
Tools	GRX-3000 KIT EU	Battery Diagnostic Station, conductance controlled charger for passenger cars and trucks, including Quick Test and 3 meter leads	1 895,00
	GRX-3000 KIT/P EU	Battery Diagnostic Station with printer, conductance controlled charger for passenger cars and trucks, including Quick Test and 3 meter leads	2 115,00
Accessories	A256	Slide-in printer for GRX-3000 Series	220,00
	A018-N	Amp Clamp with RJ connector	195,00
	A272	GRX-3000 DMM Module	110,00

DCA-8000 Dynamic Diagnostic Charging System

Product	Part number	Description	Price (€)
Tools	DCA-8000P KIT*	DCA-8000, 285A w/Printer and cart, 3M Cables	2 585,00

**Only available in English, French & Spanish*
